The comptr view to Correct and may be appd. The power delegated under art 10 C & C is in regard to the investigation of arrear claims. The power had hitherto been reserved by Govt. The admission of a claim depends on production of proof that it has not already been discharged and Cases of this kind have to be dealt with under Clause (e) of art 10 C & C and the procedure of dealing with cases coming under this clause is reserved to Govt and may continue to be so reserved. Such old claims require to be very carefully considered and discouraged as far as possible and they have to be rejected when the supporting proof is not forthcoming.

SIR,

I have the honor to state that an arrear pay bill relating to the establishment of the Belur Taluk for March and April 1913 was received for pre-audit in this office in July 1922 and it was supported by the Revenue Commissioner's sanction condoning the delay and authorising investigation of the arrear claim. But as the audit registers of this office relating to the above period had been destroyed under the rules, the claim could not be verified in audit, and the bill was accordingly returned un-audited to the Deputy Commissioner, Hassan District, under Article 10 (e) of Mysore Account Code, Volume I. The bill has now again been sent to this office for audit by the Deputy Commissioner on the authority of the Revenue Commissioner's order No.3129/G1.22-23 dated 18th April 1923, sanctioning the arrear claim and condoning the delay. It is seen from the copies of correspondence furnished by the Deputy Commissioner that on his submitting the bill to Government for sanction after it was pointed out by the audit office that the claim could not be verified, the bill was passed on by the Revenue Secretary to Government to the Revenue Commissioner with his No.R4185/LR.89-22-14 dated 20th March

5

March 1923 with the remark that the matter could be disposed of by the latter under Clause 1 of Government Order No. Fl.1181-230/G.F. 11-22-1 dated 30th August 1922 and the Revenue Commissioner has accordingly sanctioned the arrear claim in his order of 18th April 1923.

2. Under these circumstances I request to be informed whether the power delegated to certain heads of departments in the Government Order of 30th August 1922 to sanction arrear claims under Article 10 of Mysore Account Code, Volume I, is to be considered as limited to the sanctioning of the investigation of arrear claims by the audit office under clause (b) of that Article, or to include also the power to pass claims which cannot be verified from the audit office records vested in Government under clause(e).

I have the honor to be,
Sir,
Your most obedient servant,

T. Satyaraj Chetty
